

The federal city is celebrating the 50-year anniversary of women's suffrage in a variety of ways: the program for the anniversary year is just as creative and diverse as the women's involvement and commitment at the time.

We have put together a few activities for you:

1. Discover the UNESCO city of Berne with 52 pictures of famous women from the different cantons. This exhibition can be experienced until 30th June 2021 in the old town of Berne (Herrengasse, Münsterergasse, Münsterplatz).
