BERN

Three-Lake-Region

4 cantons - 10 highlights

Discover the undiscovered! A trip to the Bernese Seeland and the natural beauties of the adjacent regions. This is a journey of over 220 acres vines, a journey in the footsteps of Rousseau, a journey into the past as well as into the cultural heritage and natural wonders of the area. So much natural beauty paired with the red and white gold of the region near the UNESCO city of Bern.

Vineyard trail & old town Neuveville

Please drive further on the northern shore of Lake Biel along the vineyards to the picturesque village of La Neuveville. The nice old town and the lake promenade invite to linger. We also recommend you the vineyard trail between the villages of Twann and Ligerz. Here you will learn interesting facts about wine and regional viticulture.

St. Peters Island

«... nowhere have I felt so truly happy as on St. Petersinsel» wrote Jean-Jacques Rousseau. The peninsula, a nature reserve, can be reached on foot from the pretty town of Erlach via the 4 km long romantic "Heideweg". Treat yourself to a glass of wine from the vineyards of St. Petersinsel in the historic monastery hotel.

Palafitte on Lake Neuchâtel

We continue to the Hotel Palafitte for lunch, a souvenir from Expo.02 and the only hotel in Europe built on water. Modeled on the pile dwellings it gives pure Maldives feeling. Bon appétit!

Laténium – Pile Dwelling Museum, Neuchâtel-Neuenburg

Discover UNESCO World Heritage! In the Lake Neuchâtel there are hidden remains of waterfront settlements. You can find out their secrets in Laténium, the largest archeology museum of Switzerland.

latenium.ch/en/

Neuchâtel-Neuenburg

Visit the charming university town of Neuchâtel with its medieval town center, the castle and the Collegiate church from the 12th century.

J3l.ch/en/

Center Dürrenmatt, Neuchâtel-Neuenburg

The Center Dürrenmatt designed by Mario Botta invites you to the exhibition devoted to the literary and pictorial work of the famous writer and dramaturge Friedrich Dürrenmatt (1912-1990).

Creux du Van

Continue to Couvet, first on a paved road, then along a paved path to the Soliat restaurant. The gigantic rock arena "Creux du Van" is approx. 300 m away walking distance from the restaurant. A natural spectacle with one of the most spectacular panoramic views in Switzerland.

J3l.ch/en/

Mont Vully, Sugiez

Your return journey to Bern takes you to the protected nature reserve Mont Vully. Visit one of Vully's 24 family businesses on Lake Murten for your well-earned afternoon snack and wine tasting. The AOC Vully combines two cantons, which is unique in Switzerland.

vully.ch

Murten

If you still have energy, stroll through picturesque historic streets and cozy arcades of the medieval town Murten. You will not regret it! Why not enjoy local fish specialties for dinner in a small restaurant on the lake promenade?
